

ODISHA NURSES & MIDWIVES EXAMINATION BOARD,
BHUBANESWAR.

No 297//

Dt 28.05.2021

NOTICE

In view of the COVID-19 Pandemic resurgence all the classes in Nursing education were done in online mode. The students as well as the Association had submitted different representations to award grace marks for the inconvenience caused by online classes. After due consideration, the ON&MEB in it's meeting decided to give grace marks to final year students. Accordingly the result has been revised.

But it has come to the notice of the undersigned that some unscrupulous persons are collecting money from the innocent students with a plea that they can increase their marks for passing. It is requested to all the students must remain careful & so that they do not fall in trap of such persons. No students shall encourage/not to believe any person for such work which is illegal.

The Board authorities will not be held responsible for any such action made by students.

Sd/-
Secretary, ONMEB
