

NOTIFICATION FOR CORRECTION OF PHOTO & SIGN OF STUDENTS IN PASS CERTIFICATES

It has been found that, in some cases, while updating the Student Database by NTIs, some students Photo and Signature are reversely uploaded and some photo and signature are not clear and some other similar problems lies in Photo and Signature of Candidates , which is directly reflecting in the Certificates of Students (After download of Pass certificates).

To avoid this kind of embarrassing situation, NTIS are requested to advise their students not to be worried. If such kind of cases come to their knowledge, they are requested to kindly send the Fresh Photo (Passport size colour) and full Signature of the Students (Scan Copy in .jpeg format) and to save it in their Student ID (like Student ID-Photo, Student ID-sign) and to mail to onmebhelpline@gmail.com .

It is advised that, NTIs should compile all such problems and send it once to ONMEB in a single instance, so that repeat requests and waste of time will be avoided.
